🌐 Portfolio

Professional Summary

Results-Driven Senior Digital Marketing Executive with 3.5+ years of experience in Performance Marketing, Growth Marketing, and Marketing Analytics. Expertise in Google Ads, Meta Ads, GA4, GTM, Meta CAPI, AppsFlyer SKAN, conversion tracking, attribution modeling, and landing page optimization. Managed 3.0 Cr+ in advertising spend, delivered up to 4.8x ROAS, reduced CPA by 35%, and generated 10,000+ qualified leads. Strong understanding of HTML, CSS, JavaScript, React.js, and Tailwind CSS, enabling effective implementation of tracking solutions, CRO initiatives, and marketing-driven web experiences.

WORK EXPERIENCE

Senior Digital Marketing Executive, Federal Soft Systems Pvt Ltd - Hyderabad, TS. Dec 2025 – Present

- Manage and optimize 15L+ monthly advertising budgets across Google Ads, Meta Ads, Reddit Ads, and Snapchat Ads, driving scalable lead generation, customer acquisition, and business growth initiatives.
- Generated 1,500+ qualified leads across SaaS, EdTech, and Consumer Product campaigns while reducing Cost Per Lead (CPL) by 20% and Cost Per Acquisition (CPA) by 18% through audience segmentation, funnel optimization, and campaign refinement.
- Executed and scaled Google Search, Display, YouTube, Performance Max, and App Campaigns, contributing to a 25% increase in conversion rates and improved overall marketing ROI.
- Led mobile app growth initiatives, driving 10,000+ app installs across Android and iOS platforms through data-driven optimization, AppsFlyer attribution, and SKAdNetwork (SKAN) measurement.
- Implemented end-to-end conversion tracking and attribution frameworks using GA4, GTM, Meta Pixel, Meta Conversion API (CAPI), and AppsFlyer, improving campaign visibility, tracking accuracy, and performance measurement.
- Automated lead capture, qualification, and distribution workflows using Pabbly Connect, reducing manual effort by 70% and significantly improving lead response efficiency.
- Designed and optimized high-converting landing pages, sales funnels, and WordPress websites, increasing landing page conversion rates by 30% while enhancing user experience and reducing bounce rates.
- Conducted continuous A/B testing across creatives, audiences, ad copy, and landing pages, resulting in a 25% improvement in ROAS and stronger campaign performance across channels.
- Developed executive-level performance dashboards using GA4 and Looker Studio, enabling real-time reporting, actionable insights, and faster data-driven business decisions.
- Collaborated with cross-functional teams including design, product, and development to create growth-focused marketing strategies, ad creatives, scripts, and conversion funnels aligned with business objectives.

Digital Marketing Associate, MK DIGITALMARE PVT LTD - Hyderabad, TS. July 2022 – Aug 2025

- Planned and executed performance marketing campaigns across Google Search, Display, YouTube, and Meta Ads platforms, aligning campaign strategies with lead generation and business growth objectives.
- Managed advertising budgets of 8L–10L per month, optimizing audience targeting, bidding strategies, and campaign structures to maximize performance and budget efficiency.
- Conducted market research, competitor analysis, keyword planning, and audience segmentation to identify growth opportunities and improve campaign effectiveness.
- Launched and optimized multi-channel advertising campaigns, improving click-through rates (CTR), lead quality, and conversion performance through continuous testing and refinement.

- Implemented conversion tracking and analytics frameworks using Google Analytics 4 (GA4) and Google Tag Manager (GTM), enabling accurate performance measurement and data-driven decision-making.
- Analyzed user journeys, conversion funnels, and audience behavior to identify optimization opportunities, contributing to improved engagement and higher conversion rates.
- Improved campaign ROI through strategic bidding optimization, negative keyword implementation, retargeting strategies, and A/B testing across creatives, audiences, and landing pages.
- Led technical, on-page, and off-page SEO initiatives to improve organic visibility, strengthen search rankings, and support sustainable traffic growth.
- Designed and developed high-converting landing pages, microsites, and WordPress websites using HTML, CSS, JavaScript, React.js, Tailwind CSS, Bootstrap, and Elementor, enhancing user experience and conversion performance.
- Utilized Microsoft Clarity heatmaps, session recordings, and behavioral analytics to optimize landing page usability and support conversion rate optimization (CRO) initiatives.
- Developed interactive dashboards and automated reports using Looker Studio, providing stakeholders with actionable insights and real-time visibility into marketing performance.
